Subject: Welcome Note

Dear Parents,

Greetings!!

Hope you all had a pleasant, safe and healthy summer break!!

On behalf of the management and staff, I am happy to welcome you all on board, the new and existing parents of JSS Private School, to a new term of the Academic year 2020-2021!

We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a significant difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

We are happy to inform you about the significant success of online classes in the 1st term of the academic year 2020-2021. We have been rated as "Developed" (The top most rating) under all 13 parameters in the Distance Learning Evaluation conducted by KHDA in June 2020. We could achieve this because of the endless support, numerous interventions, teamwork and diligence by parents, teachers and staff. It is hoped that this standard will not only be maintained but improved for both Distance and Blended Learning.

From the survey conducted we gather that most parents have opted for Online Learning for the second term. We respect your decision and professional training is being provided to teachers to further enhance the effectiveness of distance learning.

For students who have opted for Blended Learning, we would like to assure you that all health and safety measures laid by the governing authorities have been and will be followed regularly. We have carefully planned and executed all protocols to maintain high Health and Safety standards to welcome our students.

I feel privileged to be a part of this school family. We thank you for your continued support and look forward to meeting you soon.

Regards
