6<sup>th</sup> September 2020

**Subject: VIDYARTHI VIGYAN MANTHAN (VVM) 2020-21**  
**India's Largest Science Talent Search for New India using Digital Devices**

Dear parents,

Based on information received from CBSE, we would like to inform you as below:

Vigyan Prasar, a National Institute for Science and Technology Communication established under Department of Science and Technology, Government of India, in association with National Council of Education Research and Training (NCERT) and Vijnana Bharati, an NGO led by eminent scientists, is co-assisting Vidyarathi Vigyan Manthan (VVM) for school students of classes VI to XI.

VVM aims to identify the bright minds with a scientific aptitude among the student community.

VVM 2020-21 will be India's first open-book science talent search examination designed to be carried out using digital devices. Moreover, this year VVM is coming up with a unique opportunity for registered students to participate in the Mega Nation-Wide Experiment. It is an experiment based on the food habits of students, the nutritional value of the consumed food, and its environmental impact. The objectives of this mega experiment are to teach observational skills, a scientific mindset, and analytical thinking among our students.

**Learning benefits**

- Knowledge about the Indian contribution to Science
- Know about one eminent Scientist and his/her work
- Learning through Hands on Activities
- Hone Leadership qualities
- Participation in Mega Science Experiment where students will get to know about the nutritional value and environmental impact of our food habits

For registration and other details please visit [www.vvm.org.in](http://www.vvm.org.in)

Regards
