Subject: Accompanying a sick student/individual

Dear parents,

Greetings from JSS Private School!!

The world is experiencing unprecedented challenges from COVID-19. At JSSPS, we have taken all necessary steps, adopted stringent precautionary measures and made all necessary amendments to reduce the possibility of transmission of infection among students and to provide a safe and healthy educational environment.

To fight COVID-19, we all should be careful. Therefore, it is recommended that no healthy student should accompany a sick student/individual into the school clinic/home/hospital. Students must adopt the safety measures at school and after school as well.

Regards
