Subject: Tuition Fee

Dear parents,

Please find a quick reference to our previous circular on fee concession ([Fee Concession letter](#)).

Please note that school tuition fee remain unchanged for the academic year 2020-2021.

JSS Schools have always been considerate on fee payments, you are aware that we don't practice advance fee payments and have always accepted post monthly payment, which has been appreciated by large number of parent community. We are at challenging times to manage the resources to continue delivering quality based holistic online education, in the background of huge fixed costs along with operational and management cost. We seek your kind attention and support in making the due fee payment which we have communicated to you.

We look forward for your kind support.

Regards

Chitra Sharma
