**Subject: Asset Examination Fee 2020**

Dear Parents,

The ASSET Examination is one of the mandatory components of the UAE National Agenda Parameter. The parameter requires all schools to participate in international and external benchmarking assessments on an annual basis and use them to monitor their progress in meeting the National Agenda targets.

All students of Grade 5 are required to participate in ASSET in English, Math and Science. You are required to pay the fee of **AED 75** through Skiplly app or at the school fee counter by **15<sup>th</sup> October 2020**, to enable your child to take the test.

Reports of the tests will be shared with parents once they become available to the school.

Regards
