Dear Parents,

Greetings from JSS Private School, Dubai

All parents want to do the best for their children and at some point in every parent's life there may come a time when advice, information and support may be welcome. The opportunity to meet and talk with other parents in a group situation can help to make the job of being a parent easier.

The intention of setting up a Parents' Forum is to provide the means whereby parental views can be discussed and made clear, and to support and inform parents on education and other issues which concern them. Parent forum meetings would allow parents the chance to discuss school issues together.

I consider it a privilege to invite you to be a member of our Parent Forum. The support that we have received from you right from the onset till date has been tremendous and this Forum will be the perfect Platform for us to synergize our resources in all our future endeavors too.

Parents who wish to become members of this proposed Forum are requested to send in your application form to secretary@jsspsdubai.com on or before Wednesday 25th April 2018. Parent representatives (one per grade) will be selected for the current academic year, based on your input.

Warm Regards

Chitra Sharma
Principal
