Dear Parents,

Please be informed that the school has arranged a field trip (within school hours) to “Sharjah Discovery Center” on :

29th April 2019 – Grade 1 Sections D-G

30th April 2019 - Grade 1 Sections A-C

Sharjah Discovery center is an entertainment center designed for children, providing them with the opportunity to learn, discover and understand the role of science and technology in their daily life. This opportunity allows them to explore the world around them in a fun filled and relaxing atmosphere. **The knowledge they gain from this field trip will help them design their own robots, which is a part of their current theme.**

We hope to give our students an unforgettable experience through amazing visual spectacles.

If you would like your child to be a part of this trip please fill in the acknowledgement slip and send a sum of AED 10, in a sealed envelope, addressed to the class teacher by **Thursday, 25th April, 2019.**

Points to follow:

- Students are expected to come neatly dressed in their PE uniform.
- They can carry a small bag with their water bottle, lunch box and fruit/snack box.
- All students must wear the school ID card.

In case you have any queries or clarifications, please contact your child's Class teacher.
