Date: 10 January, 2018

Dear Parents,

Greetings!

As we are reaching the final stage of preparation for CBSE Board examinations, we have arranged for a one to one session between teachers and parents from 14th to 21st of January, 2018. The purpose is to motivate our students and provide direction with tailor-made intervention plans. The main objectives for organising this open house are:

- To discuss your ward's academic performance in Preboard 1 examination and how to prepare for the upcoming Board Examination.
- To discuss enrichment/support strategies for students' learning.

On the day of the open house the teachers will provide detailed feedback on your ward's performance during the last quarter of the academic year. For smooth conduct of the open house, we request you to follow the attached schedule. Teachers teaching Grade 12A and 12B will be seated in the Physics Laboratory, whereas Commerce Teachers will be seated in Grade 12B.

Do note that attendance for the same is mandatory.

Warm regards,

Bindhu Rajiv
Headmistress
