

# مدرسة جيه اس اس الخاصة JSS PRIVATE SCHOOL

Grades 1 to 12  
(Cleanliness Drive)

JSSPS/CTP/PO/GEN/142/19-20

11 February, 2020

Dear Parents,

One, who maintains cleanliness, keeps away diseases. – Sam Veda

Treading on the path lit by the knowledge shared by most scriptures, JSS Private School has decided to initiate a **Cleanliness Drive** to encourage students to adopt habits that will constitute their wellbeing in their life ahead.

Instilling healthy habits in the form of a daily routine for five minutes in the morning will be the first step towards sensitising students on the need to integrate the cleanliness drive in their lives. The routine will comprise of a recitation of a poem at the class assembly, followed by a cleanliness oath, recalling of cleanliness rules and practising the rules in School.

Recognising the fact that the instilling of such a task cannot be achieved by the efforts of a singular group of people, the school will rely on the vigilance and solidarity of all stakeholders, including the teachers, students and parents.

Since we regard the school as our second home, we hope we have been able to pass on the same message to our students, and expect that they contribute in their own little ways to the keep the place safe and healthy.

Regards,

**Chitra Sharma**  
Principal
