Dear Parents,

True teachers are those who use themselves as bridges which their students are invited to cross. Then, having facilitated their crossing, joyfully collapse, encouraging them to create their own." Nikos Kazantzakis

It is now time for our grade fives to make their way to the next level of their life. As they complete the current milestone in their educational journey and head towards the next, we hope that all the lessons they have learnt so far will build a stable foundation on which they can construct their dreams of the future.

We are happy to organize a "Furtherance Ceremony" for our current batch of grade 5 students on Wednesday, 14th March 2018 from 9 to 11 am in the school auditorium. A farewell to a year filled with many memories, a huge welcome to the upcoming year and the grand start of making new memories.

Your presence will be a source of encouragement to our students as they move to the next level of their life.

Parents are requested to kindly take note the following:

Students will be picked up by the school bus at the usual time in the morning

Dress Code for the ceremony: Formal blue school uniform with blazer.

Dispersal from school at 11.45.am only.
