Dear Parents,

Greetings from JSS Private School, Dubai!

As we approach the end of Academic Year 2019-2020, we thank parents who have been regularly paying off the school fees. However there are still a few parents whose children's fees has not been paid.

We earnestly request you to settle the payment by 23rd February before the final exams begin so that your ward can smoothly continue to get "Very Good" education in year 2020-2021 in our school.

For the convenience of parents, the fee counter will be open on Saturday, 22nd February 2020 between 9:30am and 12:30pm besides the regular working days.

Your prompt attention on this matter will be highly appreciated.

Warm regards

Chitra Sharma
