Dear Parents,

World Genius Search Examination (WGSE) for Grade 1

Constant efforts will always pay rich dividends. Keeping this in mind, we would like to train our Grade 1 geniuses to tackle the future competitive exams, confidently and effectively. Therefore, as a special initiative this year, we are offering the WGSE Examination to all students of Grade 1. This exam measures the caliber of students and no preparation is required for the same.

Please note that this exam is free of cost and will be conducted on **February 20, 2019**.

The Scores: GPS and GII – Global Intellectual Index

The WGSE leads to prestigious Global Genius Awards with two Global Scores:

1.1 Global Percentile Score (GPS)

GPS is the Grade/Class wise Global Percentile Score is offered on the global platform. All the WGSE participants with 100 percentile scores are conferred with Global Genius Awards 2019.

All the 100 percentile scorers of WGSE 2019 from each Grade / Class are conferred with Global Genius Awards 2019.

1.2 Global Intellectual Index (GII)

GII is the most sought after caliber measurement score with detailed analysis. GII is offered on a scale of 0 to 9 and is drawn from the Global Percentile Scores of all the WGSE participated years, without any break. Consistent WGSE participation ensures more reliable and precise GII, calculated from the base year 2018.

GII: Scope & Applications:

As GII is a derived score from many years, it can be effectively used for a wide range of applications including campus recruitments, proficiency assessment, educational loans, admissions to various Universities, International Recognition & Scholarships. It acts as Credible Caliber Index in Academics and Career. WGSE will be introduced for Graduate and Post Graduate Courses from 2020.
