Dear Parents

The following is an invitation received from Dubai Cares to join the Walk for Education. Please feel free to join in the walk with your family and friends.

“Dear Friends and Colleagues,

I just wanted to share more updates regarding our annual Walk for Education which will be organised on February 15 at 9:00 AM at Dubai Creek Park. We hope you will be able to join us.

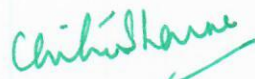

The walk will be co-hosted by radio presenters Abdulla Ismail and Saif and Sound, joined by Dubai-based DJ Keza. The carnival themed event will be complemented by a family-friendly line-up of pre- and post-walk entertainment inside the park, including face painting, hair braiding, carnival games, music and traditional dance in addition to a fun-filled program of entertainment activities including, hula hoop, bouncy castles, sports activities and arts and crafts stations. In addition, attendees will get to savour delicious food and drink by visiting pop-up food and beverage stalls from Costa, Ice cream Lab, Kulcha King, Mom’s Crepe and Subway.

The Walk celebration will include a fantastic parade of bands and heritage dance groups representing different cultures and nationalities, such as the Dubai Police band, a traditional Emirati performance presented by the students of the Ministry of Education and various other schools.

If you are interested in joining us, you can register using this link:<https://tickets.virginmegastore.me/ae/family/6932/dubai-cares-walk-for-education-2019?ref=sticky>
