Dear Parents,

The JSSPS survey is a valuable opportunity for you to give your views on the school you have chosen for your children and the education they are receiving. This survey is particularly important for us to gain an insight into aspects of the school prior to our upcoming inspection.

Please note that it is very important for us to gather a range of opinions and we request you to play an active part in this initiative.

Kindly visit the link, given below, and participate at the earliest.
