Subject: KHDA Notification

Dear Parents,

With an increasing number of enquiries from parents regarding payment of registration and re-registration fees for the academic year 2020-2021, KHDA has released the following notice.

Dear Principal,

The Knowledge and Human Development Authority (KHDA) is grateful for all the efforts school leaders, teachers and staff are making in order to serve our children and their parents during this difficult time.

We are receiving an increasing number of enquiries from parents of children enrolled in Indian and Pakistani curriculum schools pertaining to payments of registration and re-registration fees for the new academic year 2020-2021.

Considering the circumstances, KHDA would like to emphasize the importance of following all the announcements and directions from the respective government authorities to ensure the health and safety of the students and staff.

Kindly ensure that all the decisions taken related to fee registration/re-registration or refund are in line with the School Fee Framework and the Registration and Refund Policy (Please refer to the below links) which are available on KHDA website for your reference. In addition, schools and parents are required to adhere to the terms and conditions listed in the parent-school contract.
