JSSPS/CTP/PO/GEN/176/18-19

7 March 2019

Dear Parents,

Dubai 92 cares has invited students to participate in their upcoming PLANT FOR THE PLANET initiative.

All you need to do is create a poster explaining why we need trees in the UAE and their importance. These posters will be displayed in Organic Foods and Cafes as well as Aventura Park in Mushrif.

Dubai 92 Cares "Plant for the Planet" Initiative is dedicated to planting trees in Mushrif Park and improving the environment for local community. With this Initiative, they wish to spread the message that trees do matter – they contribute to our overall health and well-being, as well as reduce pollution. UAE students can learn the importance of nurturing the environment and have fun getting grubby planting native seedlings, trees, shrubs and flowers!

Students are invited to design a poster, explaining why we need trees in the UAE and their importance to the desert.

Students will have the opportunity to have their posters displayed in Organic Foods and Cafes as well as Aventura Park in Mushrif, and on the Dubai 92 web page and social media accounts.

Posters can be uploaded here with the students details... <https://www.dubai92.com/dubai92cares/>

Last date for uploading the posters: **20th MARCH 2019**
