Subject: Wellbeing census

Dear Parents,

Greetings!!.

The 4th Dubai Student Wellbeing Census will be conducted in the month of November 2020, during school hours. Students will be administering the census from their respective homes under the guidance of their teachers. Dates for the same will be informed to you shortly. [CLICK HERE](#) for the Parent Letter, from KHDA. If you do not wish for your child to participate in the census, kindly do inform your child's class teacher in the coming week, so that your child will not participate in the same. We request you to kindly allow your child to respond to the questions independently. In case your child is having difficulty managing the census, the respective teacher will be there to assist him/her.

Regards

Sd/-..
