MENTORSHIP PROGRAMME 2017-18 (GRADE 12)

Dear Parent,

We are delighted to introduce a Mentorship programme for your child. In the program, your child will be matched with a teacher- mentor. The mentor will act as an adult role model and will be a source of friendship and encouragement, especially in achieving academic goals and personal development. The school feels that your child will greatly benefit from having another positive role model in his/her life and hopes that the relationship will lead to increased academic performance, self-esteem, and emotional development.

We respect your role as a parent and will provide every opportunity for you to meet with the mentor and be involved in the development of the relationship between the mentor and your child.

As your child goes through the program, his/her teachers will monitor academic performance. All information gathered about the effect of the relationship on your child's school performance is strictly for the purposes of evaluating the program and will be kept confidential.

We feel that this nurturing bond will definitely help our grade 12 students to overcome their anxiety and focus on accomplishing their academic goals. We look forward to your support in this regard.

Thank you for your time. We hope this program will be of great benefit to everyone involved.
