## Empowering all Students to Become Leaders of their Own Learning

Dear parents,

On 20th, 21st and 22nd October 2019, our Grade 9 students will be holding the second edition of Student-Led Conferences. These conferences will provide an opportunity for your child to reflect upon their successes up to midterm examination and to provide you with examples of what they have learned in each of the academic areas. We emphasize that these are student-led conferences and while a teacher will be present, they are simply acting as mediator, to encourage open communication on student achievement.

We view this as an extremely positive opportunity for our students to emphasize their strengths, acknowledge areas that need improvement, and to share goals he/she wishes to reach by the end of the academic year. Please make every effort to be part of this conference. This is an opportunity to open up lines of communication with your ward about their education.

We strongly encourage you to be a positive part of this conferencing process. We will hold conferences from 2 pm to 3:30 pm as per the time slot allotted to you.

As parents and guardians, you are critical partners in helping support your child's learning and growth. **Attendance for the same is mandatory.**
