Date:30 October 2017

Dear Parents,

Greetings from JSS PS.

We are ready to launch cycle 3 of After School Activities commencing from 12th November 2017 to 13th December 2017. Like the previous cycle this will be a cycle of 5 weeks.

Kindly note that ASAs are optional. The last date to enroll for the ASAs is Monday 6th November 2017. Activities are run subject to a minimum number of students enrolled. If the minimum number of students to run a particular activity are not met, the class will be cancelled and the student can have the choice to transfer to another activity or adjust the enrollment fee against the school fees.

Parents are requested to enroll their children in the respective activity as early as possible to avoid disappointment. We have noticed that certain activities are getting over enrolled. Each activity has a maximum number of students that can be enrolled. Once the maximum number has been reached the enrollment for that particular activity will be stopped.

Attached with this circular is a document providing detailed information about the entire program. However you may please contact the respective teacher in charge for the particular activity if you have any further queries about the particular activities, the email ids have been provided.

If you are interested in enrolling in the ASAs kindly print and fill the registration form and have the same handed over to our school fee counter along with the total cost for that program. Alternately a copy of the form is available at our school fee counter.

Important : Filling up the registration form is mandatory in order to avoid any unnecessary delay in commencement of the program. Please note that the school is not responsible for any loss of class time if the registration form is not submitted to the accounts department at the time of registration.
