

Families gain deeper understanding about the Holy Month of Ramadan through their service to the community.

Service to Man is Service to God. The enthusiastic parent forum of JSS PS came together to coordinate a volunteering initiative for families of JSS PS.

Parents and students spent fulfilling moments on the evening of Friday 8<sup>th</sup> June 2018, preparing and serving meals for 1000 people in the Sajja Industrial Area of Sharjah. Students from as young as Kindergarten attended to help in lending a hand. It was an opportunity for the students to come together and collaborate as a team.

From the spreading out of the plastic sheets to the laying of the laban, water and meal at different intervals, students worked together enthusiastically with one single goal. Service to the community.

The entire team comprising of about 50 people, were divided into 3 groups and each group helped to prepare and serve meals for around 300 people.

This initiative included Muslim as well as Non-Muslim students of JSS PS. It was truly a fulfilling experience for all gathered to support the initiative. Students were able to empathize with their Muslim brothers and sisters.

A small gesture of compassion and love towards their Muslim brothers and sisters goes a long way in students understanding the challenges that people undergo during the long hours of fasting.

As quoted by Mr Someshwar “ We had a wonderful experience. More than any thing else, my family felt happy with a sense of peace within. Thank you so much.

Mr Ravi quotes “Yes it was a wonderful & first- hand experience for all of us, I would like to thank JSS PS for giving this opportunity, and like to do more in the future. Thank you all.

After all the meals were laid parents and students were invited to partake in the Iftar. A true spirit of hospitality from the side of the organizers.
