Subject: Language Perfect Northern Championship

Dear Parents,

We are excited to announce that Arabic department is participating in the annual Language Perfect Northern Championships for Arabic.

The competition is taking place from **November 4th to November 11th**! Schools from all around the Northern Hemisphere will be competing to be Language champions. This is a great chance to engage students and give them the opportunity to work towards individual or school glory! The competition will give students the ability to learn, revise and extend themselves through a range of curriculum-aligned, engaging Language activities. In addition, it is also a very good opportunity for our students to improve in the four skills in Arabic (Listening - Speaking - Reading - Writing).

Kindly note that there is **NO COST** for this event.

Kindly share details of interested students with your respective class teachers latest by **25th October 2020**.

Links and more details will be shared after receiving the names for participation.

We look forward to seeing students' engagement & success in this exciting event!

Regards

Sd/-..
