

JSS PS Celebrates French Day!

The students of JSS PS displayed unbridled elation on Thursday, 28th April 2016 as French day was being celebrated.

All students were dressed in dashing shades of blue, white and red, the colours of the French flag as the excitement was palpable in the air.

The celebrations were held in the French room where a hue filled array of projects was displayed.

There was also a plethora of mouth-watering delicacies arranged, for the students' delight.

Besides the food, a game stall was set up to engage the younger students.

Some of the 10th graders with a strong artistic flair had set up a face painting stall, to promote French patriotism.

But to truly celebrate French culture, we have to give importance to Paris, the home of haute couture.

And so, some of our aspiring fashionistas had organized a fashion show as a visual treat.

All these events had provided us with an all- round experience which enhanced and tested our knowledge about French culture and tradition.
