

CHILDREN OF GRADE 1 OBSERVE THE INTERNATIONAL PEACE DAY IN SCHOOL BY PRAYING FOR UNIVERSAL PEACE AND HAPPINESS

At JSS PS we believe that every child has the innate wisdom to foster peace. We nurture this ability by encouraging them to learn about other cultures, traditions and lifestyles which would lead them towards unity, respect and universal peace.

The International Peace Day observed every year on the 21st of September was celebrated at JSSPS in advance as the day coincided with the Islamic New Year, when the children have a day off from school. The students of Grade 1 were made to understand the significance of this special day and made aware of their role in making the world an abode of peace. They prayed in silence to the Almighty to shower his blessings on us. A music video was played encouraging children to be ambassadors of peace, which was greatly enjoyed by our First Graders.
