Students of JSS PS learn Sanskrit.

Sanskrit Workshop was successfully conducted from 14th March to 22nd March 2016. The aim of this workshop was to enable students to have a basic understanding of the language and have sufficient exposure to make small sentences and develop a keen interest in the language. The intention was to motivate the students to develop not only an additional skill but also to make them experience the depth and the beauty of the language.

Through the workshop, they were given an understanding of sentence construction, usage of verbs, tenses, genders, form questions, answers etc. They were also taught some prayers and songs in Sanskrit.

Sanskrita Bharati is a non-profit, voluntary organisation, whose aim is to revive the ancient language, bring back its lost glory, and make the vast knowledge of the ancient texts available to one and all through the key that is the Sanskrit Language
