

## STUDENTS OF GRADE 3 INSTILL THE IMPORTANCE OF FRIENDSHIP

**“True friendship multiplies the good in life and divides the evils. Strive to have friends, for life without friends is life on a deserted island.... To find one real friend in a lifetime is good fortune; to keep him or her is a blessing.....”**

**The above quotes were well displayed by the students of Grade 3C and 3F through an amazing assembly on “Valuing Friendship”.**

The assembly began with the regular Anthems and prayer. The news was well highlighted by the students. Next in place was a skit on true friendship. The students confidently played their characters which left the audience spellbound. Their tone, diction and body language seemed to be quite natural and the simple message on friendship was well conveyed.

To add flavor to the assembly, the children sang a song on friendship and performed an electrifying dance. The assembly ended with students holding placards on 'A Recipe For Friendship'. The entire crowd thoroughly enjoyed the show and it was indeed a treat to the eyes to watch the little ones render an amazing performance.
