INTRODUCTION

JSS Private School is a private and inclusive, co-educational day-boarding school that offers a holistic learning programme for students of Pre KG to Grade XII. The school follows the curriculum laid down by the CBSE Board. The school ensures delivery of high-quality education for the diverse, expatriate community in the UAE. The school accepts registration, as per KHDA/MOE guidelines, at all times during the school year through our Admissions Office.

All applicants for places at JSS Private School will be required to undertake a placement test which will be marked by staff in school and will influence where a successful applicant is placed within the school.

Placement in all classes will be made by the Principal on the basis of the child's previous educational record, the assessment of the school, and by age. The initial placement is tentative and the school may reassess the child's placement after the child's abilities have been thoroughly observed in class or through additional testing.

Applications for admission can only be accepted when all documentation required is made available to the school.

Responsibilities

- The Principal is responsible for ensuring that the Admissions policy and procedures are clear, implemented and monitored in the school and that every member of the staff is aware of the contents of the policy.

Application, Assessment and Registration (Step 2)

Families are responsible for submitting official documents (i.e. transcripts, report cards, etc.) pertaining to the applicant's previous three years of school experience (as applicable). The Admissions Team is empowered to delay or halt the admission process if such documentation is not provided within a four-week time frame.

Placement Assessment

All incoming students are required to complete a reading, writing, and numeracy assessment from Grade 1 to Grade 12. Students entering kindergarten will be invited for an interview and assessment designed to determine school readiness.

Placement Assessment during Distance Learning

All incoming students from grades 1 to 12 are assessed by previous years' report card followed by telephonic or video call interview by the Admission Officer and SENCo Representative. Students entering for Grades Pre KG to Grade KG 2 are required to send a video recording of their activities.

Registration / Acceptance Qualifications

To determine basic qualification, all candidates are expected to complete and return all the admission application forms and participate in placement testing. Student acceptance is based on space availability and the following minimum criteria:

- Age appropriate for the requested year level as per placement policy
- Successful completion of the previous school year
- Admission/placement assessment results
- Previous school records (transcript, transfer certificate, recommendation letters, and standardized assessment results as applicable).
- Sibling priority (especially siblings of students of determination).

Non-Acceptance for Enrolment

The school reserves the right to limit student enrolment and/or withdraw student participation at any time. Non-acceptance of students may occur during the Inquiry Phase or Assessment and Registration Phase, prior to the Enrolment Phase.

Non-acceptance usually occurs because of (not limited to) the following reasons:

- Space limitations (qualified applicants will be put into a waiting pool)
 - Student is beginning the year after May 1st, not having attended elsewhere
 - Assessment results do not meet minimum academic standards to indicate success. This does not apply to SEND students
 - Student has educational learning differences not supportable by existing services.
 - Non acceptance does not happen for any medical diagnosis
-

Notification of Acceptance

Families will be notified (call or email) in cases of acceptance or non-acceptance within 3 days of taking a placement assessment provided that complete applications and all required documentation have been submitted. If sibling considerations exist, calls or email will be coordinated across all school divisions. Final approval will follow an assessment evaluation.

Enrolment Phase (Step 3)

Enrolment Disclaimer

The school makes every effort to enroll qualified students who have fully completed the application process and who have met the academic acceptance requirements.

Enrolment Priority

Students who meet admission requirements may be enrolled on the following priority:

- Students who meet verifiable needs
- International students who bring diversity to the existing demographics
- Those previously enrolled in English programmes
- Students who experience SEND will receive “sibling Priority” and across the school population
- Children of staff and administration
- Other students who have completed application procedures and meet entrance requirements.
- Students are not refused admission based only on their experience of SEND.

Year Placement

The year placement practice is in place to allow students to continue in the year in which they are currently enrolled or have most recently completed rather than advancing to a higher year. A conservative placement is used in order to best serve the educational needs of the student. The school reserves the right to place a student at the year level that best serves the educational needs of the child regardless of the previous year completed or age of the child. If the school feels that year retention is in the best interest of the child, parents will be asked to sign a Retention Form to confirm support of the decision.

Class Placement

The goal of the class placements is to create homogenous sections within each year level. Each of the sections will be as balanced and diverse as possible considering the following student characteristics:

- English language fluency
 - Educational needs
 - Ability level
 - Cultural background
-

- Mother tongue language
- Gender.

TUITION FEE PAYMENT

Tuition fees are due at the time the acceptance letter is signed and returned by parents. Invoices will be sent out immediately and first term fees must be paid prior to the start of classes. Students may not be permitted to start school unless the first semester tuition fees are paid, with postdated check(s) included for the second semester, unless they have arranged another payment plan with the Finance Office.

TUITION REFUNDS

If a student attends up to two weeks, one full month's tuition fees will be charged. If a student attends for two weeks but less than one month, two full months' tuition fees will be charged. If a student attends school for more than one month, three month's tuition fees will be charged. For these purposes a month's fees is calculated by dividing the annual fees by 10 months.

WITHDRAWAL DISCLAIMER

The school reserves the right to withdraw student candidacy or membership any time before or after enrolment has been completed, especially when student behavior is deemed out of sympathy with the school community standards or when tuition fees have been in arrears for more than a month without a payment agreement in place.
