Subject: After School Activities (ASA)

Dear Parents,

Greetings from JSS PS and welcome to New Year of clubs.

We are ready to launch the Second cycle of **After School Activities (ASA)** for the academic year 2024-25. Activities will commence from **September 16th (Monday)** and will be till **December 2024**. The ASAs will be conducted onsite after school hours on Monday, Tuesday, Wednesday and Thursday (according to the schedule) from **2:30 pm to 3:30 pm**. **Students opted for school transport will board the bus at 3:45 pm and own transport students will be picked by parents from Gate 5.**

This gives us the option to conduct-: **16 classes, making it a cycle of 8 weeks for Sports.**

Please note that After-School Activities (ASAs) are optional. The final date to enroll in ASAs is Thursday, 12th September 2024. As always, activities will only run if a minimum number of students enroll. If this minimum is not met for a particular activity, the class will be canceled, and students will have the option to transfer to another activity or adjust the enrollment fee toward their school fees.

Parents are encouraged to enroll their children in their chosen activities as soon as possible to avoid disappointment. We have observed that some activities are quickly reaching full capacity. Each activity has a maximum limit on the number of students who can participate. Once this limit is reached, enrollment for that activity will close.

Find below the detailed information about the entire program.

However, if you have any further queries about the particular activity, you may please contact in-charge through mail:

The form is used solely to collect student details and does not confirm registration until payment is made. Please note that the school is not responsible for any loss of class time if the registration form is not submitted to the accounts department at the time of registration or if a student is absent from the session. Students may opt for two activities if schedule permits them.

If you are interested in enrolling in the ASA, kindly fill the online registration form and have the same handed over to our school fee counter along with the total cost for that program –
