Subject: Choice of second language for Grades 1-4

Dear Parents,

Greetings from JSS Private School!

We are pleased to inform you that **Sanskrit** will now be offered as a second language option at our school from the academic year **2025-26**. If your child is currently studying **Hindi** or **French** and you would like to switch to **Sanskrit**, kindly complete the consent form provided below.

Please ensure that the filled consent form is submitted to your child's class teacher **on or before December 5, 2024**, to help us make the necessary arrangements.

Kindly note that the language selected after this change will remain in place for the entire academic year and cannot be altered mid-year.

Also note that the introduction of Sanskrit as an additional second language is subject to the requisite approvals from the relevant regulatory authorities.

We appreciate your prompt response and cooperation.
