Dear Parents,

Greetings from JSSPS!!

At JSSPS, we are fortunate to have a community that unites in both challenges and triumphs.

The **Governors' Pulse Survey**, designed by the school governors, offers you a valuable opportunity to share your thoughts and perspectives on the school you've chosen for your children and the quality of education they are receiving.

Your responses will remain completely confidential and will be instrumental in shaping effective plans and ensuring the best support for our students and their families.

We deeply appreciate your input and encourage you to share your views by accessing the link below.
