**Subject: Stay Back for KG 2 Students**

Dear Parents,

The students of **KG 2** will be transitioning to their new phase of primary schooling very soon. To get them ready to stay back for longer hours in Grade 1, we would like the children to **stay back in the school until 2:00 pm from Wednesday 5<sup>th</sup> February to Thursday 25<sup>th</sup> February 2025.**

This extra time will allow the students to revise the concepts in KG 2 and practice for their upcoming Concert and Graduation Ceremony. During this time the children will also be introduced to the Hindi language through songs and play-based activities.

Kindly pack extra lunch apart from the regular snack box sent every day, as the children will leave only by the **2:10 pm** bus.

In case you have any queries please contact the Class Teacher.

Regards,

Sd/-.
