Subject: JELP (ASA sports) Ay 2025-26

Dear Parents,

Greetings from JSS Private School! Greetings from JSS Private School!

We are excited to welcome you to the First season of JELP (ASA sports) Ay 2025-26 at our school.

These activities will start on 21st April and continue until 5th June. The JELP will be held on-site after school hours from Monday to Thursday (according to the schedule), running from 2:30 pm to 3:30 pm. Students who utilize school transport will board the bus at 3:40 pm, while those who use their own transport should be picked up by parents from Gate 3.

We are offering a total of 14 classes, making it a 7-week cycle.

Please note that participating in ASAs is optional. The deadline to enroll for these activities is Thursday, April 17th. As always, the activities are subject to a minimum number of student enrollments. If the minimum requirement for a particular activity is not met, the class will be canceled. In this case, students will have the option to transfer to another activity or have their enrollment fee adjusted against the school fees. We kindly request parents to enroll their children in the desired activities as soon as possible to avoid any disappointment. Please be aware that certain activities tend to reach maximum enrollment quickly. Once the maximum capacity for an activity is reached, further enrollment will be stopped.

Please find attached a document that provides detailed information about the entire program.

If you have any specific inquiries about a particular activity, please feel free to contact the respective in-charge via email:

Sports - Mr. Subodh at subodh@jsspsdubai.com

If you are interested in enrolling your child in the ASAs, please fill out the online registration form and submit it to our school fee counter along with the total cost for the program. For Sports, the fee is AED 525 AED (inclusive of VAT).

Important: To ensure a smooth start to the program, it is mandatory to fill out the Participation Details form. This form should be completed either after or along with the payment. The online form collects participant details, while the payment confirms the registration. Please note that the school cannot be held responsible for any missed class time if the payment is not submitted to the accounts department at the time of registration or if a student is absent from a session.

If the schedule permits, students may opt for two activities.
