11th November 2025

Subject: Winter Break Onsite Intervention Classes (December 15th-19th)

Dear Parents,

Greetings from JSS Private School!

As discussed during the beginning-of-year orientation and based on insights from the recent survey, the school, taking into account the academic performance of students throughout the year and aiming to address their individual learning needs, will be conducting Targeted Group Intervention Classes from December 15th to 19th, 2025, between 8:00 am and 1:00 pm.

The purpose of these intervention classes is to provide **focused academic support** to students in areas identified for improvement. These sessions will help strengthen conceptual understanding, reinforce key learning outcomes, and prepare students more effectively for the upcoming assessments. Through small-group teaching, guided practice, and individualized attention, students will have the opportunity to clarify doubts and enhance their overall academic performance.

The intervention aims to provide focused academic support to strengthen students' understanding of key concepts and address specific learning gaps identified through their PB1 performance. During these sessions, students will also be **solving Board-based papers and practice work aligned with the CBSE pattern**, enabling them to improve accuracy, time management, and conceptual clarity. Through guided practice, and individualized attention, students will have the opportunity to clarify doubts and enhance their overall academic performance.

Attendance is mandatory for all students, as these classes are designed to enhance their preparedness and performance in upcoming assessments. The **timetable and detailed schedule** will be shared by the respective class teachers.

We appreciate your continued cooperation and support in ensuring your ward benefits fully from this focused academic initiative.

Warm regards,

Sd/-
