

Subject: Winter Internship Opportunities

Dear Students and Parents,

Greetings from JSS Private School!

We are excited to inform you that we will be hosting an **online orientation session** for the parents of **Grades 8 – 12** students. This session will provide valuable insights into the **Internship** and other **career development programs** offered by our external partners. These programs are designed to help students gain practical experience and develop essential skills that will assist them in their future careers.

Program Overview

Our career development programs are strategically designed to bridge the gap between classroom learning and professional experience. Students will have access to:

- **Industry-specific internships** across sectors including technology, healthcare, finance, marketing, and engineering
- **Mentorship programs** connecting students with industry professionals
- **Skills certification courses** in high-demand areas like digital marketing, data analysis, and project management
- **Entrepreneurship** workshops and startup incubation support
- **Professional networking** events and career fairs

Details of the Online Orientation:

- **Date:** 29th November, 2025
- **Time:** 10 am
- **Platform:** Microsoft Teams
- **[Link to join](#)**

Our esteemed Partner Organizations:

- **MINDLER:** www.mindler.com
- **Corporate Gurukul:** <http://www.corporategurukul.com/>
- **SUPROS:** [SUPROS - You Can Be A Superhero. Professionally!](#)
- **Learn with Leaders:** [Empowering Future Leaders A Global Youth Program Collection\[1\].pdf](#)
- **3E worldwide:** [About Pro – 3E Worldwide](#)
- **IDP:** [Educational consultants in UAE | IDP UAE](#)
- **Think Startup 2020 –** <https://thinkstartup.in/>
- **Intelligent Partners –** <http://www.intelligentpartners.com/>

Why These Programs Are Game-Changers

Academic Advantages:

- **Enhanced College Applications:** Real work experience sets students apart from peers in university admissions
- **Informed Academic Choices:** Early career exposure helps students select relevant subjects and specializations
- **Improved Academic Performance:** Practical application reinforces classroom concepts

Professional Development:

- **Industry-Relevant Skills:** Students develop technical and soft skills valued by employers
- **Professional Network Building:** Direct connections with industry mentors and professionals
- **Workplace Readiness:** Understanding of professional etiquette, communication, and work culture

Personal Growth:

- **Confidence Building:** Real-world achievements boost self-esteem and decision-making abilities
- **Leadership Development:** Opportunities to lead projects and mentor younger students
- **Global Perspective:** Exposure to international business practices and diverse work environments

Eligibility & Application Process

Grade 8-10 Students: Focus on exploratory programs, skills workshops, and short-term projects

Grade 11-12 Students: Eligible for intensive internships, research projects, and pre-university career tracks

Next Steps

We strongly encourage all parents to attend this comprehensive session. Your participation will help you:

- **Understand specific opportunities available to your child**
- **Learn about the application timeline and requirements**
- **Connect with other families pursuing similar goals**
- **Ask questions directly to program coordinators and partner representatives**

This orientation represents a crucial opportunity to accelerate your child's career development and provide them with invaluable advantages in today's competitive global landscape. We look forward to partnering with you in shaping your child's successful future.
