Subject: Welcome note

Dear Parents,

A heartfelt welcome to the JSS family, and warm greetings for the **Academic Year 2026–2027**.

As we begin this new academic year, we do so with renewed hope, positivity, and a strong sense of purpose. We are mindful of the evolving regional situation, and during such times, please be assured that our foremost priority remains the safety, well-being, and emotional security of every child. Our school is committed to providing a calm, stable, and nurturing environment where learning continues smoothly and students feel supported at all times.

Guided by the vision of Sheikh Mohamed bin Zayed Al Nahyan and the declaration of 2026 as the Year of Family under the theme “Growing in Unity,” we are inspired to strengthen the values of togetherness, compassion, and mutual support. At JSS Private School, we strive to reflect these ideals by fostering a close and meaningful partnership between school and home, ensuring that our students grow not only academically, but also emotionally and socially.

We want to reassure you that we are well-prepared to respond to any changes, with effective systems in place to ensure continuity of high-quality education—whether within the school campus or through distance learning, if required. Our focus remains on nurturing confident, resilient, and “Future Ready” learners who are equipped to face challenges with strength and adaptability.

With your continued trust and support, we look forward to a year filled with growth, stability, and shared success for all our students.

Wishing you and your family a safe, peaceful, and fulfilling academic year ahead.

I kindly request you to make a note of the following points:

School Reopening Date:

In line with the directives from **KHDA** and the **Ministry of Education**, the school will commence the academic year through **online learning** starting **Monday, 6th April 2026**, as per the schedule outlined below. This measure has been taken to ensure continuity of learning while prioritizing the safety of all students.

Our school is fully prepared to deliver high-quality distance learning through well-established systems and platforms, ensuring that students continue to receive engaging and effective instruction from the comfort of their homes.
