Dear Parents and Students,

Greetings from JSS Private School!

هيئة المعرفة والتنمية البشرية
KNOWLEDGE & HUMAN DEVELOPMENT AUTHORITY

Dear Principals,

In line with ongoing precautionary measures and with approval from Education, Human Development and Community Development Council (EHCD), the Ministry of Education has advanced the spring break by one week.

As a result, CBSE/ICSE and schools whose academic year begins in April will complete the current term through distance learning. These schools may conduct non-board year-end examinations online or calculate year-end results using cumulative assessment marks, as appropriate.

2026/2027 academic year will resume on Monday, April 6th, 2026.

If schools encounter any challenges, they may contact KHDA for support.

Any further updates will be communicated through our official channels. We reiterate the importance of relying on official government sources for accurate information and of refraining from circulating unverified news.

Should you have any questions, please contact rpc@khda.gov.ae.

We trust that you and your family members are safe and keeping well. At all times, the safety and wellbeing of our students, parents, and staff remain our top priority. We sincerely thank our parent community for the continued cooperation, patience, and support extended to the school.

In accordance with the latest guidance issued by the KHDA & Ministry of Education, we would like to inform you of the revised arrangements for the remainder of the current academic session.
