Subject: Student Leadership Body

Dear Parents,

Greetings from JSS Private School!

We are excited to extend an invitation to your child to become a part of our esteemed Student Leadership Body here at JSS Private School. Their passionate voice, fresh ideas, and budding leadership can ignite real change, weaving a more vibrant, inclusive community that reflects their dreams for our school's future. We seek leaders who enthusiastically embrace responsibility, go the extra mile to support others, and stay fully committed to school initiatives through the academic year.

Joining the Student Leadership Body offers students the opportunity to make a positive impact on campus life, contribute to decision-making processes, and represent the student body. Whether it's organizing events, advocating for student interests or implementing positive changes, there's a place for your child in our student leadership team.

As a member of the Student Leadership Body, students will have the chance to:

1. Represent their peers and serve as a voice for student ideas, and suggestions to school administrators and faculty.
2. Collaborate with fellow leaders to plan and execute exciting events, fundraisers, community service projects, and awareness campaigns that enhance school spirit and engagement.
3. Hone their leadership, communication, teamwork, and problem-solving skills through hands-on experience and mentorship opportunities.
4. Foster a sense of belonging and unity among students by organizing activities that celebrate diversity, promote inclusivity, and create meaningful connections.
5. Take an active role in shaping school policies, programs, and initiatives that positively impact the student body and school culture.

We believe that every student has the potential to be a leader and effect positive change in our school community. Their unique perspectives, talents, and passions are what make our school special, and we encourage them to bring their ideas and enthusiasm to the Student Leadership Body for the Academic Year 2026-27

The School Council serves as a vital student leadership body, representing the voice and spirit of the student community. It is comprised of the Head Boy, Head Girl, Sports Captain (Girl), and Sports Captain (Boy), each chosen for their exemplary conduct, leadership qualities, and dedication to the school. Together, they promote unity, uphold school values, and actively contribute to organizing events, fostering discipline, and inspiring their peers.

The House System

In order to inculcate a sense of belonging, competitive spirit and camaraderie among the students, the school is divided into four houses (**Flamingoes (Red) Hornbills (Blue) Macaws (Yellow), Falcons (Green)**).

Every house is headed by a House Mistress/House Master namely - Flamingoes (Ms. Lakshmi) Hornbills (Ms. Reshma) Macaws (Ms. Jiji) Falcons (Ms. Nandini)

House Captains, House Vice Captains and House Prefects are appointed for each house that serve as role models, guiding their peers with integrity, enthusiasm, and a commitment to upholding the values of the school community.

The Committees

Student committees play a crucial role in fostering student engagement, leadership, and a sense of responsibility. They help organize and manage various activities such as cultural events, community outreach, environmental initiatives, and academic support programs.
