**Subject: Formation of Parent Forum**

Dear Parents,

Greetings from JSS Private School, Dubai.

At JSSPS, we firmly believe that it is our responsibility to empower every student for success by providing a balanced education rooted in the joyful pursuit of excellence.

During these unprecedented times, our Parent Forum members have demonstrated remarkable resilience, commitment, and adaptability. They have stood alongside the school community with unwavering support, helping families navigate challenges, encouraging collaboration, and strengthening the bond between home and school. Their positive spirit and readiness to contribute have been invaluable in ensuring continuity of learning and the well-being of our students.

As we move through this phase of our journey, I would like to extend my heartfelt gratitude to all the parents who have supported the school—by offering valuable suggestions, assisting with learning at home, supporting fellow families, and prioritizing both personal and community well-being.

A special note of thanks goes to our Grade Parent Representatives, who have played a pivotal role during the transition into the 2026–2027 academic year.

We are proud to share that for two consecutive years (AY 2022–23 and AY 2023–24), the Parent Forum has been recognized as Outstanding by the DSIB (KHDA). This recognition is a testament to the Forum's vital role in fostering effective, two-way communication between the school and its parent community, while also serving as a platform for constructive feedback and suggestions.

To ensure continuity and maintain the same momentum in our initiatives, current Parent Forum members will continue in their roles (subject to confirmation) until a new body is appointed. As always, the new forum will include a mix of experienced and new members.

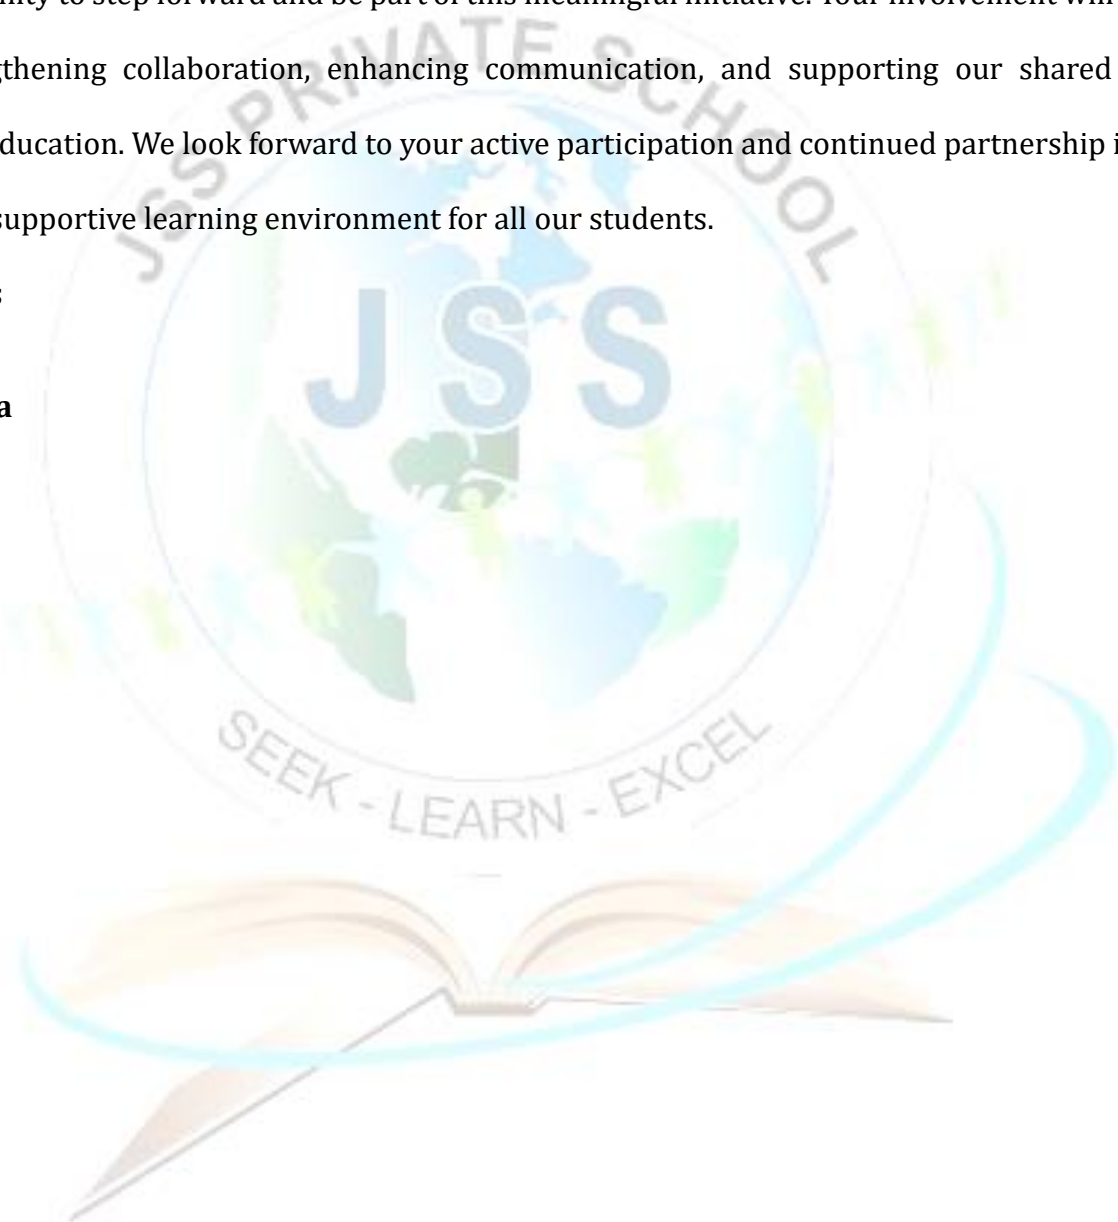

With this letter, I invite interested parents to apply to become part of the School Parent Forum. If you wish to be considered, please send your application to **secretary@jsspsdubai.com** on or before **Saturday, 2<sup>nd</sup> May 2026**. One representative per grade will be selected for the current academic year based on the submitted applications.

We sincerely encourage parents who are passionate about contributing to the growth and success of our school community to step forward and be part of this meaningful initiative. Your involvement will play a key role in strengthening collaboration, enhancing communication, and supporting our shared vision of excellence in education. We look forward to your active participation and continued partnership in shaping a vibrant and supportive learning environment for all our students.

Warm Regards

Sd/-..
