“When schools and families work together, children grow stronger and achieve more.”

Dear Parents,

Greetings from JSS Private School!!

We are delighted to share that our young learners have completed two joyful and enriching months of the new academic year through a blend of online and onsite learning experiences.

As part of supporting each child’s growth and development, we are excited to invite you to a Goal-Setting Meeting with your child’s class teacher.

This meeting provides an opportunity to discuss your child’s early observations, strengths, and areas of growth, and to set meaningful goals together that will guide their learning journey throughout the year.
