Subject: Silverzone Olympiad Exams 2026-27 (Optional)

Dear Parents,

We are pleased to share an opportunity for your ward to participate in the upcoming SilverZone Olympiads, which provide students with a platform that goes beyond conventional learning and connects them to a broader global academic perspective.

These Olympiads not only assess knowledge but also nurture analytical thinking, problem-solving abilities, and readiness to compete at an international level. Participation enables students to benchmark their performance alongside peers and gain exposure to globally aligned academic standards.

The examinations for the academic session 2027 will be conducted in **online mode** during **January-February 2027** across the following subjects:

Each participant will receive a participation certificate along with a detailed assessment report/marksheet Real Matrix offers valuable insights into their academic strengths and areas for improvement.
