Subject: IIT Madras School Connect Program

Dear Parents,

Greetings from JSS Private School.

We are pleased to inform you that **JSS Private School is partnered with the IIT Madras School Connect Program**, providing students of **Grades 9–12** with an excellent opportunity to explore courses across emerging and interdisciplinary fields.
Students can choose from a wide range of courses in **Computing, Engineering, Mathematics & Science, Humanities & Management**, including **Data Science & AI, Cybersecurity, Aerospace, Forensics, Product Design, Law, Economics** and many more.
These courses are designed by **IIT Madras** to help students **discover their interests, explore future possibilities and make informed career choices**.
Registration through School
Interested students may bring **AED 20/- per course** in a **sealed envelope**.
Please note: Students can register for only ONE course in each batch.
The following details must be clearly written on the envelope:

- **Student's Full Name**
- **Grade & Section**
- **Name of the Course selected**
- **Mobile Number**

The envelope may be submitted to **Ms. Mega, Ms. Gincy or Ms. Nithya on or before Monday 21 September 2026**.
Course Start Date: 5 October 2026
Certification: Certificate from **CODE, IIT Madras**
Two flyers are attached for your reference. Students and parents may also explore the complete course details through the IIT Madras School Connect website:
https://code.iitm.ac.in/schoolconnect/
We encourage interested students to make use of this valuable opportunity to explore areas beyond the regular curriculum and gain meaningful exposure to future study and career pathways.

Warm Regards

Sd/-..
