**Subject: Sharing of Parent Guides – Early Childhood Care & Education and National Educational Charter**

Dear Parents,

We are pleased to share with you two important parent guides received from the Knowledge and Human Development Authority (KHDA) and the Ministry of Education (MOE), designed to support families in understanding and contributing to their children's learning, development, wellbeing, and values.

**1. Parents' Guide to Quality Early Childhood Care and Education in Dubai (Pre-K to KG2)**

**Link for the parent's guide**

The Parents' Guide to Quality Early Childhood Care and Education in Dubai, developed by KHDA, provides families with a practical understanding of what quality early childhood care and education looks like in Dubai. The guide introduces key aspects of the ECCE Quality Framework in a parent-friendly way and highlights the important role families play in supporting their child's learning, wellbeing, and development, while bringing the vision of the Dubai Child to life.

Parents are encouraged to read the guide and use it as a resource when working in partnership with educators to support their child's early learning journey.

**2. National Educational Charter – Parents' Guide (Pre-K – Grade 12)**

**Link for the parent's guide**

The National Educational Charter Parents' Guide, shared by the Ministry of Education, introduces families to the Charter and its three key pillars: national identity, traits, and skills.

The guide highlights the important role parents play in reinforcing their children's learning and supporting the development of positive values, character traits, and skills through everyday experiences and practices at home.

We encourage all parents to:

- Read both guides carefully.
- Use the guidance to support your child's learning and development at home.
- Continue working in partnership with your child's educators.
- Take advantage of the KHDA parent information sessions where possible.

The two parent guides are enclosed for your reference and are valuable resources for strengthening the partnership between home, educators, and the wider education community.

Thank you for your continued support and commitment to your child's learning, wellbeing, and development.

Warm Regards

Sd/-..
