Subject: KINDER CLUB

Dear Parents,

Greetings from JSS Private School!

The Kinder Club is a curriculum enrichment program designed to enhance the learning skills of our little ones through a variety of extra-curricular activities in a fun environment. The program aims to encourage personal discovery and growth in our Kindergarteners by tapping their innate skills and helping them to learn a new skill. The Kinder Club is an extension of our Kindergarten learning goals and will help build self-esteem, learn important life skills, and develop social and emotional skills through varied activities.

It is an **optional paid** after-school program for the students of KG 1 and KG 2. The clubs will be held after school between 12:10 p.m. to 2:00 pm **twice a week** (Tuesday and Wednesday). The students will attend two sessions per day and the duration of each session will be 40 minutes. A detailed timetable will be mailed to you by the respective teachers later.

Students taking part in the club will return home by the **2:10 pm** school transport, and OT students can be picked up at **2:00 pm.**

A total of five zones are planned and the students have a choice to choose any **two clubs** only.

Please find the details of the clubs below.

1. **Move and Groove Zone**

   a) **Dance Club**

This club aims to encourage students to learn different dance forms, focusing on techniques and styles, expression, usage of props, and development of stage confidence.

   b) **Musical Theatre Club**

The theatre club will focus on developing acting, drama and music skills in students. Drama and music not only develops communication skills in students but builds self-confidence, and self-esteem and improves imagination. The syllabus covered will be based on **Trinity College London** and students can apply for the **'Young Performer's Certificate'** from Trinity College London with an additional fee as per the requirement.

2. Sports Zone

a) Gymnastic Club

The focus of this club is to lay a strong foundation for a healthy habit of physical fitness in our students through Gymnastics by a trained coach. This club will enhance physical development, allowing kids to develop skills like strength, flexibility, coordination, balance, and body control.

b) Yoga Club

This club will help the students to develop focus and concentration, strength and coordination, learn to manage big emotions in small bodies and build confidence and a sense of calm.

c) **Mini Soccer Club**

The objective of this club is to introduce basic soccer skills and promote physical activity in a fun environment. Playing soccer will help children develop skills like team spirit, focus, collaboration, communication, resilience, responsibility and sportsmanship.

3. Creative Zone

Art Attack Club

This colorful club is designed especially for kindergartners to explore the world of art through painting, drawing, cutting, sticking, molding, and more!

The kids will experiment with different art materials and textures, develop fine motor skills through hands-on activities, express emotions and imagination through creative play, and build confidence while creating their masterpieces.

4. Enrichment Zone

Mental Math and Abacus Club

Through this club student will be exposed to the use of an Abacus by a trained Abacus teacher to promote mental calculations, memory retention, development of motor skills, boost self-confidence in students, enhance creative skills, and improve observation skills and concentration.

5. STEAM Zone

Coding / Lego Club

This club is specially designed for kindergartners to build creatively using LEGO blocks, learn basic coding ideas like patterns, sequences, and logic through games. Follow simple instructions and create fun structures or stories, strengthen critical thinking, teamwork, and imagination.

Kindly note all clubs will function only if there are 15 or more participants in the respective club.

Kinder club will commence on Tuesday, 13th October 2026, and will run as per the below dates during Session 1.
