Subject: JSSPS Enrichment Learning Programme – After-School Activities (JELP-ASA) – Academic Year 2026–2027

Dear Parents,

Greetings from JSS Private School!

We are delighted to welcome you to the new academic year and announce the launch of the **JSSPS Enrichment Learning Programme – After-School Activities (JELP-ASA)** for the academic year 2026–2027.

The programme aims to provide students with opportunities to explore their interests, develop new skills, and enhance their learning through engaging extracurricular activities.

Programme Details

- **Commencement Date:** Wednesday, 28 October 2026
- **Duration:** October 2026 to February 2027
- **Schedule:** Every Wednesday, from 2:20 p.m. to 3:20 p.m.
- **Mode:** On-campus
- **Number of Sessions:** 10 sessions over a 10-week cycle
- **Grades:** 1–9 and 11

Transportation Arrangements

- Students opting for school transport will board their buses at **3:30 p.m.**
- Students using private transport must be picked up by their parents from **Gate 3**.

*Please note that, owing to anticipated traffic congestion during the after-school hours, school bus services to certain residential areas may be subject to operational limitations and may not be available for students attending the programme. The areas that may be affected include **Dubai South, Dubai Land, Dubai Silicon Oasis (DSO), Liwan, Dubai Investment Park (DIP), Al Furjan, DAMAC Hills, and Town Square along Al Qudra Road**.*

Parents residing in these areas are kindly requested to consider the transportation arrangements before enrolling their children and to make alternative pick-up arrangements, if necessary. We appreciate your understanding and cooperation in this regard.

Enrolment Guidelines and Important Information

1. Participation in the After-School Activities is **optional**.
2. The **last date for enrolment is Thursday, 22 October 2026**. Parents are encouraged to complete the enrolment process early to secure their preferred activity.
3. Each activity has a limited number of seats, and enrolment will close once the maximum capacity is reached.

4. Activities will be conducted subject to a minimum number of enrolments. If an activity does not meet the required minimum, it may be cancelled. In such cases, students may opt to transfer to another available activity or have the fee adjusted against their school fees.

Please refer to the attached document for detailed information about the programme and the activities offered.

Enrolment Procedure and Fee

Parents wishing to enrol their children are requested to:

- Complete the attached consent form.
- Pay the activity fee of **AED 350, inclusive of VAT**, through the Skiply app.
- Submit the completed consent form to the respective class teacher after making the payment.

Details of ASA @ JSSPS

Nowadays children tend to grow up in societies that demand they have a wide knowledge of expertise. It is no longer realistic to sit back and expect a child to learn everything from a textbook when considering an overall development, as we are now living in a world where children can't afford to miss an opportunity. School clubs are designed to help develop a child's talent or skill. These clubs are recreational and educational in nature. They have been created to help keep children active and interested.

Details of the Club:

JSS-PS offers the following clubs.

The amount paid is applicable only for 10 sessions. Any competitions/conferences charges will be extra and will be intimated at the time of the event.

CLUBS	In-Charge	TARGETED GRADES
Theatre Arts Unleash Your Child's Dramatic Talents Is your child a little actor or actress at heart? The After School Dramatics Club provides the perfect stage for them to explore the world of theatre. Students will: • Learn acting skills like character development and stage presence • Unleash their creativity through playwriting, set design, and more • Build confidence, teamwork, and self-expression • Delight families with entertaining performances throughout the year Don't miss this opportunity for your rising star to shine!	**Mr. Joseph**	**Gr 1-9 & 11**
Oratory & Vocalize Club Amplify Your Child's Voice with the Gavel Club Is your child brimming with ideas and opinions to share? The Gavel Club provides the ideal platform for them to develop crucial public speaking and debate skills, including: • Crafting persuasive arguments • Thinking critically on their feet • Exploring topics, they're passionate about • Building confidence and poise	**Ms. Sonia**	**Gr 3 – 9 & 11**

Through friendly competitions, students learn to articulate their thoughts, respect differing views, and collaborate with peers. This is a chance to unleash your child's potential as an empowered communicator and future leader.		
Language Clubs **Unlock New Worlds with the Language Club** Interested in your child exploring new languages and cultures? The Language Club is the perfect place to begin! Through engaging lessons and activities, students will: • Build vocabulary and communication skills in languages like Hindi, French, and Sanskrit. • Discover the rich cultural heritage of different linguistic traditions • Develop cognitive abilities, creativity, and global perspectives Learning new languages opens doors to personal growth, cultural appreciation, and exciting future opportunities in academics and beyond.	**Ms. Neha – French** **Ms. Amritha – Sanskrit** **Ms. Richa - Hindi**	**Gr 1 – 9 & 11**
Vedic Math Unlock Your Child's Math Potential with the Math Club Is your child a numbers whiz with a knack for problem-solving? The Math Club is the perfect place to unleash their mathematical talents! In this engaging after-school program, students will: • Solve brainteasers and puzzles that build analytical thinking • Explore exciting concepts like game theory and cryptography • Develop crucial skills in logic, reasoning, and strategic thinking • Collaborate with peers who share their passion for math More than just crunching numbers, the Math Club nurtures innovative thinkers and problem-solvers of tomorrow.	**Ms. Kavitha**	**Gr 1-9 & 11**
Coding Unlock Your Child's Tech Potential with Coding Club	**Ms. Gincy**	**Batch 1** **Gr 1-5** **Batch 2**

Does your child have a curiosity for technology and problem-solving? Give them a head start in the digital world by joining the Coding Club! In this hands-on program, students will: • Learn coding languages and build fun projects • Develop logical thinking and creative problem-solving abilities • Explore the vast possibilities of computer science • Collaborate with peers on team coding challenges Coding skills are essential for success in our tech-driven society. Don't let your child miss this opportunity to get an early start.		**Gr 6 to 9 & 11**
STEM Bring STEM to Life with the Robotics Club Is your child a born tinkerer and problem-solver? Ignite their passion for engineering and coding by joining the Robotics Club! Students will: • Build and program their own robots from scratch • Apply math, science, and tech skills in hands-on projects • Develop critical thinking and teamwork abilities • Explore cutting-edge tools and concepts More than just robotics, this club nurtures essential skills for future success in any field. Don't miss this exciting opportunity to unlock your child's inner maker and innovator.	**Ms. Shraddha**	**Gr 5 – 9 & 11**
Performing Arts **Dance** Let Your Child's Spirit Soar with Dance Club Does your child love to move and groove? The Dance Club provides the perfect outlet for them to explore their passion for dance and self-expression. Students will: • Learn various dance styles like ballet, hip-hop, and contemporary • Master choreography and performance techniques • Build physical skills like strength, flexibility, and coordination • Gain confidence, discipline, and artistic appreciation	**Mr. Shashank**	**Gr 1-9 & 11**

More than just dance moves, this club nurtures the whole child through teamwork, perseverance, and artistic expression.		
Arts & Crafts Let Your Child's Creativity Shine with the Arts & Crafts Club Is your child always sketching, painting, or building something new? The Arts & Crafts Club offers a fun and inspiring space to unleash their imagination and creativity. Students will: • Explore various art forms like drawing, painting, and paper craft • Learn techniques in design, color theory, and composition • Improve fine motor skills, focus, and patience • Express themselves while developing confidence and originality More than just making art, this club fosters self-expression, creativity, and a love for handmade beauty.	**Mr. Chandrashekar**	**Gr 1-9 & 11**
DIY (Do It Yourself) Let Your Child Build, Create, and Innovate with the DIY Club Does your child enjoy hands-on activities and building things from scratch? The DIY Club is the perfect space to spark their creativity and problem-solving skills. Students will: • Learn to craft practical and decorative items using everyday materials • Explore upcycling, home décor, gift-making, and simple engineering projects • Develop planning, design, and execution skills • Boost creativity, confidence, and a can-do attitude More than just creating objects, this club nurtures innovation, sustainability, and a love for making things with their own hands.	**Ms. Steffi**	**Gr 1-9 & 11**
ASTITVA Astitva seeks to improve communication, personal grooming, and self-awareness as components of our students' overall growth. Presentation techniques, social skills, personal grooming, and etiquettes will all be covered in the sessions. A psychologist will mentor and facilitate the sessions, which will undergo both professional and peer	**Ms. Bubbly**	**Gr 6-9 & 11**

review.		
JSSPS Teen Tribe Teen Tribe members will be trained and mentored by the counsellor to better understand mental health issues. The members will be trained in basic skills of listening and empathy and to provide support and awareness among peers about importance of counselling. Students will be supervised as they provide support to peers having challenges while keeping themselves safe.	**Dr. Reshma**	**Gr 9 & 11**
